## MARCHING BAND CAMP

Covenant Hills Camp ~ Otisville, MI

AUGUST 15-19, 2022

### GENERAL INFORMATION

Please visit our website ([www.shsmusic.org](http://www.shsmusic.org)) for more information about the bands, the marching band handbook, auxiliary ensembles, etc.

#### MONDAY, AUGUST 15

Students helping load the truck need to be at Stevenson by 9 a.m. All other band members need to report to the band room by 10 a.m. The bus will leave Stevenson @ 10:30 a.m. Students are responsible for loading their own luggage and instruments onto the equipment trailer.

Since we are traveling during lunch time, the buses will stop in Clio, MI for lunch. Students should bring money to purchase their lunch on Sunday.

#### MEALS

Three meals will be provided daily. Our first meal at camp will be dinner on Monday. The final meal will be lunch on Friday. There are beverage vending machines at camp and a camp store/ice cream shop that may be open during free time (in the center of camp)—if interested, students should bring spending money.

**If there are any special dietary requirements, please let me know by August 1.** We will communicate dietary needs to the camp and attempt to meet all special needs.

#### CAMP STAFF

Adult chaperones will be at camp at all times in addition to the camp staff, coaches, and our band director. A trained medical person will be at camp at all times.

#### CABINS

The girls' cabins have a shower, sink, and indoor toilet in each cabin. The boys' cabins, which house a slightly larger capacity, have 1-2 showers, sink, and indoor toilets. There is also a shower house located near our cabins that individuals may use. There is NO reason to go without washing. Please do not wait until you are told to shower. All cabins are bunk style sleeping facilities. Individuals will need to bring bedding and pillow for their bed and bath supplies/towel.

#### MUSICAL INSTRUMENTS

You must bring your own musical instrument. Wood instruments are not advised. If you need to use a school instrument, arrangements must be made in advance. You will need to bring all of the supplies you need (reeds, oil, etc.) for the entire camp stay. These will not be available at camp. You will also need a music lyre that is appropriate for your instrument, a plastic flip folder to hold the music, and rubber bands to hold music in place. Any music

center can help you select the proper music lyre. Pencils (bring a sharpener) are required and multi-color highlighters are encouraged for marking music. Coordinate sheets (the size of a ¼ of 8.5 x 11 paper) for your drill will be provided. You may want to get a plastic pouch and a shoelace or lanyard to hold your coordinate sheet so you can wear it around your neck during practices. We also suggest a fabric tool belt to carry your poker chips, pencil, sunglasses, sunscreen, etc. while on the field.

### SUGGESTED CLOTHING

Clothing for both warm and cool weather (clothing must be appropriate for school activities – NO tank tops, short shorts, etc.), raincoat or poncho, plenty of socks, hat, bandana (to keep the sun off the back of your neck), comfortable tennis shoes (two pair if possible), two plastic garbage bags (one for dirty clothing and one for wet clothing). 1. Monitor or control all of the daily personal decisions, choices, and activities of individual participants.
2. Prevent participants from engaging secretly in illegal, dangerous, or unwise activities.

## Pre-Camp August 10, 11, and 12

Welcome to the 2022-2023 Stevenson Marching Band Season! We hope you are having a great summer. This year we will be presenting *Beatle Mania* as our half time and competition show. It will be a challenge, but we can't wait to get started. Here are some helpful hints to get you ready for pre-camp.

### **Eat Breakfast – Bring a Snack!**

Marching and being in the heat on an empty stomach is not a good idea. Include protein in your breakfast to help you keep your energy up and avoid dairy as it can upset your stomach. We need you to be healthy, happy, and ready to go. We also encourage you to bring a quick snack to help keep your energy up in morning marching rehearsal.

### **Bring Water**

We can't stress enough the importance of drinking water. Since you will be out in the sun marching most of the day, you will be sweating and becoming dehydrated. You must replace the fluids in your body. Since water bottles will NOT be provided, you MUST bring water to camp every day. There will be jugs of tap water on the practice field to refill bottles on your breaks.

### **Marching Shoes**

Tennis shoes must be worn at all marching band practices. Sandals, flip-flops, dress shoes, or any shoes other than lace-up athletic shoes are not adequate for band camp marching. If you come to practice in inadequate shoes, your parent will be contacted to bring you shoes. Performance shoes are to be worn at performances only, not at camp.

### **Clothes**

Dress in modest, comfortable clothes (athletic shorts are recommended for ease of mobility). We spend the majority of our time outdoors, so dress for the weather. Although it will be hot, shirts are required on both guys and girls. No swimsuits will be allowed. Bare midriffs, spaghetti straps, low cut tops, and short shorts will not be tolerated. Sunglasses, hats, and sunscreen are strongly recommended for outside.

### **Practice Necessities**

Since a great deal of our rehearsal time will be spent outside, you will need to purchase a flipbook and lyre for your music. These can be purchased at any local music store such as Marshall's or Cameron's. In addition, be sure to bring a pencil to every practice. You will be charting your drill sets in your dot book and making notes in your music at EVERY rehearsal.

### **Lunch**

You will be given an hour for lunch. This time can be used as you wish. We do not recommend playing sports, due to possible injury and over exertion. Meals *will not* be available at school to purchase. So brown bag it, go home for lunch, or go out with your friends, but remember you must be back on time. Lunch is usually from 12 noon to 1 p.m. Please place trash in the proper receptacles. Keep the lawn, practice field, band room, and hallways clean.

### **Parking/Drop off**

All band camp personnel; will park in the west parking lot. The parking spaces in front of the school are reserved for administrators, secretaries, and visitors. Students riding bicycles to camp should secure (lock) them to the bicycle racks located on the east and west sides of the building.

### **Attendance**

Attending ALL practices for the entire scheduled time is extremely important. Our show depends on every individual participating fully to create the designs and support the sound on the field. We know illness and emergencies cannot be avoided. If you find yourself in one of these situations, contact Mrs. Wickman.

We are looking forward to another fun-filled and productive season for the Marching Spartans of Stevenson High School. Have a great summer!

Assistant Drum Major

# Tips, Hints, and Helpful Information for Marching Band Families

- Marching Band students must be in a curricular band or orchestra class each year to participate in Marching Band (with the exception of Color Guard).
- Parents who volunteer or chaperone band students must complete the district online iChat form. This form is updated by the LPS district each year. If you plan to volunteer during the marching band season or for other activities later in the year, you will need to complete and submit the form before you can be cleared to volunteer. The processing time the district requires for the iChat form is 2-3 weeks. If you are chaperoning band camp, it is imperative that the iChat form is processed prior to camp. Once you have been cleared for one Livonia Public Schools chaperone or volunteer activity, you will not need to fill out another iChat form until the following school year.
- Besides the Band Camp costs, there are minimal associated costs that are required for a student to participate in Marching Band. These include but are not limited to shoes for new members and those needing replacements, gloves, color guard tunic, marching lyre, flip book, page protectors for dot books, and beret for sousaphone members. Students will need solid black socks for marching. Each Marching Band student will receive, at no cost, one show T-shirt as a part of their uniform.
- Marching Band practices are mandatory for students and usually held in the fall on Tuesdays, Wednesdays, and Thursdays after school (6 to 8 hours per week practice commitment) Color Guard and drumline may have additional practices during the season.
- Marching Band students are required to stay after practices and home games for cleanup. Chore duty is divided by instrument sections throughout the season, with sections alternating the days they have the duty.
- Home Games are mandatory for Marching Band students. Students are required to arrive at 6:00pm for warm-up and inspection. Marching Band students sit together in the bleachers (the first section of the home bleachers) and are not allowed to leave (except for the restroom with permission). Band families usually sit in the 2nd section of the bleachers. There will be a sign-up for band families to donate snacks and water for the home games.
- There is no cost for Marching Band students to attend home and away games, but band families must pay entrance costs. Stevenson offers both a one-time entrance pass and a yearly entrance pass (if your child(ren) participates in any athletics, it may be more cost effective to purchase a yearly entrance pass).
- The Stevenson Marching Band's main purpose is performance and support for football games, so the bulk of the commitment is during the fall term. However, it is a YEAR-LONG commitment. The Marching Band participates during school day spirit events and/or pep assemblies year-round. They also perform 2-3 times during the spring semester (Collage Concert, Band-O-Rama, and the Memorial Day Ceremony).
- It has been a tradition that Marching Band students attend after game get-togethers at students' homes. These privately hosted events are for Marching Band students only and hosted by individual families.
